Better than the Cat House

Author's Notes:
Valentine drabble 3- my last one for celebrating today! Because Duff and Izzy are just so made to be all over each other

The house was finally empty. Duff had managed to convince the others to go to the Cat House without him. They didn't know Izzy was upstairs waiting for the bassist.

"We should tell them," Duff said as he walked in Izzy's bedroom.

"The minute they know, it'll be a nightmare."

"Nah... Well, yes, but only with Axl," Duff conceded.

Izzy pushed Duff on the bed and straddled him.

"Slash felt bad leaving me here alone on Valentine's night. He said I should get laid."

"Oh, you're gonna get laid alright, McKagan...," Izzy replied before starting to take off his clothes.
